*“My understanding of student loan  
repayment options & the repayment  
process has improved.”*

**Do you know someone who is struggling with student loan debt?** Student loan debt does not have to feel overwhelming. We can help you learn more about your repayment options through this no cost, no obligation 1 hour workshop.

The Financial Information & Service Center (FISC) a non-profit program of Goodwill NCW, will be leading the workshop. FISC's NFCC Certified Credit Counselors have completed a certification program on current student loan issues and regulations. We can help you:

- Discover strategies to reduce the total cost of your loan
- Find out what to do if making payments is a problem
- Explore repayment options
- Understand options such as loan forgiveness for public service

This workshop can help you assess your repayment options. If you have more complex circumstances, FISC provides individual sessions for your unique situation.

Space is limited. To register or for more information, call 920-886-1000 or visit [www.fisc-cccs.org](http://www.fisc-cccs.org).
