AGREEMENT FOR SERVICES

THE SINGULAR IS USED EVEN WHEN THE PLURAL MAY APPLY

I hereby authorize CCCS of Northeastern Wisconsin, a business conducted by FISC (CCCS), a non-profit agency, its employees, agents and volunteers to counsel and advise me on its money management and budgeting pertaining to my financial situation. Our counselors are trained and certified in accordance with the National Foundation for Credit Counseling (NFCC).

Client fees for the counseling program include:

- FREE INITIAL ASSESSMENT (up to 30 minute session with a certified credit counselor by phone, online or in person to help you assess your financial situation and provide available options)
- \$25 FINANCIAL COUNSELING APPOINTMENT (which includes a DMP set-up fee, if applicable) If you pursue financial counseling, the \$25 will be collected at the first counseling appointment.
- PRE-BANKRUPTCY COUNSELING: \$50 per person. This fee will be waived if your household current income is less than 150 percent of the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2), as adjusted from time to time, for a household or family of the size involved in the fee determination.

In addition to client fees this agency receives financial support from funders. A portion of funding comes from voluntary contributions from creditors who participate in DMPs. Since creditors have a financial interest in having debts repaid, most are willing to make a contribution to help fund the overall services of the agency.

I hereby hold CCCS, its employees, agents and volunteers harmless from any claim, suit, action, or demand of my creditors, myself or any other person arising out of or connected with said advice or counseling. Nothing herein shall apply to actions or claims under the provisions of the United States Bankruptcy Code, 11 U.S.C. 101 et seq.

Furthermore, I understand that bankruptcy is a legal matter and that CCCS does not give legal advice. If I am referred to an attorney by CCCS, I understand that this is only to obtain legal advice and not a recommendation to file bankruptcy. If I am referred to an attorney, I will contact CCCS, and inform CCCS of the outcome of the advice given.

In the event I have an FHA (HUD) mortgage, I hereby authorize CCCS, a non-profit agency, its employees, agents and volunteers to contact my mortgage company for the purpose of requesting our FHA Case Number.

I hereby authorize CCCS, a non-profit agency, its employees, agents and volunteers:

1. To act for me in a plan to liquidate my financial obligations.
2. To communicate with my creditor(s), asset holder(s) and others for obtaining information about my account(s), including, but not limited to verifying balances, payments, interest rates and late charges.
3. To provide my creditor(s), asset holder(s) and others with such information as is deemed necessary, in the sole discretion of CCCS, for my creditor(s), asset holder(s) and others to implement the plan, and providing my creditor(s) and others with my personal information, including but not limited to, home address(es), telephone number(s), employment information, income, assets and debts.
4. To make necessary arrangements with my creditors and others to aid in the solution of my financial problems.
5. To obtain a credit report from and/or to inform any credit reporting agency of my participation in the repayment plan. A Debt Management Plan may affect my credit report either favorably or unfavorably according to a creditor's policy with respect to a DMP and my payment history prior to and during my participation in a DMP.
6. To contact, cooperate and exchange information with any law enforcement, prosecuting agency or collection agency.

Further, I authorize any collection agency to release and continue to release, any and all information in its files to CCCS until I revoke authorization to the collection agency in writing.

I further agree:

1. To cooperate with present creditor(s) on my/our behalf until a repayment plan can be set up through CCCS and to perform my obligation as agreed upon in such a plan.
2. That CCCS has no responsibility or obligation for any past, present or future credit rating to the client by any of his or her creditors.
3. To hold CCCS, its employees, agents and volunteers harmless from any claim, suit action or demand of my creditor(s), myself or any other person arising out of or connected with said establishment and implementation of such a plan. Nothing herein shall apply to actions or claims under the provisions of the United States Bankruptcy Code, 11 U.S.C. 101 et seq.

STATEMENT OF COUNSELING SERVICES

Please read the following statements carefully to understand CCCS procedures.
Please initial next to each statement to indicate understanding of that provision.

- ___1. I understand the program will provide confidential, comprehensive personal money management interviews should I choose to pursue a one-on-one financial counseling arrangement. In addition to general financial counseling, CCCS of NE Wisconsin also provides counseling in specific areas such as housing, foreclosure prevention, bankruptcy as well as other services including Debt Management Plans and educational workshops. Clients are not obligated to receive or purchase any other services offered by FISC in order to receive counseling of any type, including but not limited to budget, housing or bankruptcy counseling.
- ___2. I understand that a certified consumer credit counselor or qualified consumer credit counselor will conduct the interview. All action plans not conducted by a certified consumer credit counselor will be reviewed by a certified credit counselor. Our counselors are trained and certified in accordance with the National Foundation for Credit Counseling ("NFCC"). A qualified consumer credit counselor has been trained but has not, as yet passed all of the required tests.
- ___3. I understand if I am dissatisfied, I can utilize the Complaint Resolution Process.
- ___4. I understand that financial counseling is offered without regard to a debtor's ability to pay. Bankruptcy counseling fees will be waived if your income is less than 150 percent of the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2), as adjusted from time to time, for a household or family of the size involved in the fee determination. I understand that financial support for the agency comes from various funders.
- ___5. I understand that most funding for the DMP program comes from voluntary contributions from creditors who participate in Debt Management Programs (DMP). Since creditors have a financial interest in getting paid, most are willing to make a contribution to help fund the agency. These contributions are usually calculated as a percentage of payments made through the DMP, which can be up to fifteen percent (15%) of each payment received. However, all accounts with creditors will always be credited with one hundred percent (100%) of the amount paid through CCCS. CCCS will work with all creditors regardless of whether they contribute to the agency.
- ___6. I understand that the decisions I make regarding my financial concerns are ultimately the result of my own choices. Therefore, I agree to hold the agency, its employees and volunteers harmless from any claim, suit, action or demand of my creditors, myself or any other person resulting from advice or counseling. Nothing herein shall apply to actions or claims under the provisions of the United States Bankruptcy Code, 11 U.S.C 101 et seq.
- ___7. Should I choose to seek one-on-one counseling, I understand that, in that process, I will be given a written assessment outlining a suggested client action plan which will be based on the following options:
- A) I may choose to handle financial concerns on my own.
 - B) I may choose to enroll in the agency's Debt Management Program (DMP). A DMP serves a dual role of helping me repay my debts and helping creditors to receive the money owed to them.
 - My participation in a debt repayment program may change information which is already on my credit report. If my credit report reflects that I have paid creditors as agreed in the past, a Debt Repayment Plan could have a negative impact on a creditworthiness decision by a potential creditor, landlord, or employer in the future.
 - In addition, creditors may report that I am on a Debt Management Program and am not paying as originally agreed although they have accepted the reduced payment.
 - I understand the agency has no responsibility or obligation for any past, present, or future credit rating I receive.
 - C) I should also be aware that debts to creditors I repay through the plan may be able to be discharged through bankruptcy. Counselors may answer questions about bankruptcy, but cannot provide legal advice.
 - D) I may be referred to other services of the organization or another agency or agencies as appropriate that may be able to assist with particular problems that have been identified.
- ___8. I understand that receipt of financial counseling services does not automatically guarantee participation in the Debt Management Program.
- ___9. I understand that at some time in the future, my information may be used for confidential research and/or a neutral third party may contact me to request an evaluation of the program's services.
